

UltiPlay Parks & Playgrounds Partner:

Independence Design Group

If you can dream it, Independence Design Group can make it!
 IDG is a boutique manufacturing factory in the USA. As a small, independent business, they create quality, custom products with fast lead times.

Communication Board

Communication Boards help nonverbal children express themselves and interact with others.

GeoCool Fan

GeoCool is a people-powered fan that blows air to bring a cool breeze when used.

Gaga Pit

IDG's gaga pits provide a large, fenced-in area to play ball games. Perfect for schools and parks!

Cabin Play House

Great for early childhood! IDG's Play Houses promote socialization and imaginative play for kids.

Play Stage

Let imaginations run wild! IDG's Play Stage offers an interactive play space for children of all ages.

Bike Bench

Made from Robina wood and steel, the Bike Bench provides seating and bike parking in one.

Looking For That Wow Factor?

From custom panels to signs to seating, Independence Design Group can bring nearly any idea to life. With a manufacturing facility in Pennsylvania and quick lead times, IDG's products deliver exceptional value for communities looking to enhance outdoor recreation spaces.

We Represent IDG in
New England!
